

NESD SHRM Presents:

Mental Health in the Community

Tuesday, 11/9
11:30 am – 1 pm
2nd St. Station

Are you aware of the mental health issues in our community? You are invited to an informative session to learn more about this increasingly more serious topic happening all around us including our own community. What is mental health? How you can help someone at work or at home dealing with a mental health crisis? What resources are available to businesses and to individuals in our community?

Alexis has also been part of the SWAT team since October 2018. Alexis is a disability awareness trainer for the Police department. Alexis is currently the Mental Health Officer for the Watertown Police Department.
